FOOD INSPECTION AND SUPERVISION

here: **CERTIFICATE** of plant Inspection, supervision and records thereof
according to the HACCP-Concept
(= Hazard analysis and critical control points)

Herewith we certify to the company ARCO-Chemie GmbH, 58313 Herdecke, that inspections and supervision of the manufacturing process took place and records thereof were made, all in correct manner. The manufacturing plant has a functioning quality assurance system.

The company ARCO-Chemie owns a manufacturing license according to § 13 (Abs. 1) the german law concerning commerce with pharmaceuticals from 24. august 1976 (Gesetz über den Verkehr mit Arzneimitteln vom 24. August 1976 -BGBl. I S. 2455-), according to the current regulations. This licende is only given, if far more strict conditions than the HACCP-guidelines are met.

Herewith we can certify that ARCO-Chemie, Herdecke, observes completely the regulations of the HACCP-guidelines
